**SOURCE EXPLORATION CORP. ANNOUNCES  
NON BROKERED PRIVATE PLACEMENT OF UP TO \$ 375,000**

**December 13, 2013– Source Exploration Corp. ("Source" or the "Company") (TSX-V: SOP)** is pleased to announce that it has arranged a non-brokered private placement (the "Offering") of up to 5,000,000 units of the Company (the "Units") at a price of \$0.075 per Unit for gross proceeds of up to \$375,000. Each Unit will consist of one common share of the Company and one common share purchase Warrant. Each Warrant will entitle the holder to purchase one common share of the Company for a period of twelve months from the closing date of the Offering at a price of \$0.125 per common share, provided that the Company will have the right to accelerate the expiry date on notice to the Warrant holders if the closing price of its common shares on a stock exchange in Canada is higher than \$0.15 per common share for a period of 20 consecutive trading days after four months from the closing date of the Offering, in which case the Warrants will expire 30 days after the date on which such notice is given. In connection with the Offering, the Company may pay finders' fees to certain arm's length parties in accordance with the rules of the TSX Venture Exchange (the "TSXV") in consideration for their efforts in introducing subscribers to the Company.

The securities to be issued under this Offering will be offered by way of private placement in the provinces of Ontario and British Columbia and such other provinces of Canada as may be determined by the Company, in each case, pursuant to applicable exemptions from the prospectus requirements under applicable securities laws. Closing of the Offering is anticipated to occur on or before January 15, 2014 and is subject to receipt of all required regulatory approvals including the approval of the TSXV. Securities issued under the Offering will be subject to a four month hold period which will expire four months one day from the date of closing of the Offering.

The proceeds from the Offering will be used to continue exploration on the Company's Las Minas project located in the State of Veracruz, Mexico, and for general working capital purposes.
