SOURCE RETAINS INVESTOR RELATIONS CONSULTANT

SOURCE EXPLORATION CORP. (the “Corporation” or “Source”) (SOP: TSX-V) announced today that it has retained Andreas Curkovic of Toronto, Ontario to assist the Corporation with investor relations activities for current shareholders and potential investors. Mr. Curkovic is the founder of Proconsul Capital, which provides investor relations services to Canadian publicly listed companies. Services provided by Mr. Curkovic will focus on the investor communications, planning and coordination of investment meetings, providing newswire services, and management of communications material, with a view to achieving a high level of awareness of Source in the investment community and to broaden the shareholder base.

Mr. Curkovic will be issued 15,000 stock options to purchase common shares of the company at \$0.35 per common share, vesting on December 1, 2011 and expiring on December 23, 2016. He will also receive a monthly retainer of \$5,000. The agreement will progress on a monthly basis, renewing automatically, and may be terminated by either party by two-week written notice. Mr. Andreas will not engage in market making activities and will restrict his services to public relations and investor relations counseling.

About Source Exploration

Source Exploration is a well-financed Canadian based mineral exploration company focused on the evaluation, acquisition and development of economic gold and silver deposits in Mexico. The company’s Las Minas project is located in the heart of the historical Las Minas mining district, which is host to one of the largest under explored gold-silver – copper skarn systems known in Mexico.
