NOT FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES

Vancouver, British Columbia – June 15, 2026 – Mexican Gold Mining Corp. (TSXV: MEX) (“**Mexican Gold**” or the “**Company**”) and Alcon Silver Corp. (“**Alcon**”) announce that, in connection with the previously announced arrangement agreement dated April 8, 2026 between the Company and Alcon (the “**Arrangement Agreement**”), the Company intends to complete a non-brokered private placement of up to 11,250,000 subscription receipts of the Company (the “**Subscription Receipts**”) at a price of \$0.20 per Subscription Receipt, for aggregate gross proceeds of up to \$2,250,000 (the “**Offering**”). The Offering constitutes a concurrent financing to the Arrangement (as defined below) and is subject to acceptance of the TSX Venture Exchange (the “**TSXV**”).

On April 8, 2026, Mexican Gold and Alcon entered into the Arrangement Agreement, pursuant to which Mexican Gold will acquire all of the issued and outstanding common shares of Alcon (the “**Alcon Shares**”) in exchange for newly issued common shares in the capital of Mexican Gold (the “**Consideration Shares**”) at an exchange ratio of 1.0 post-Consolidation Mexican Gold common share for each Alcon Share, by way of a court-approved plan of arrangement under the *Business Corporations Act* (British Columbia) (the “**Arrangement**”). In connection with the Arrangement, Mexican Gold will complete a consolidation of its outstanding common shares on a 1.6667-to-1 basis (the “**Consolidation**”) and a change of its corporate name to Platauro Metals Corp. (the “**Name Change**”). The Supreme Court of British Columbia has granted an interim order in respect of the Arrangement authorizing the calling and holding of a meeting of Alcon shareholders to approve the Arrangement (the “**Meeting**”). The Meeting is scheduled to be held on July 3, 2026, and shareholders of Alcon have now been mailed proxy materials as well as an information circular describing the Arrangement. See the Company and Alcon’s news release dated April 8, 2026 for further details regarding the Arrangement.

In connection with the Arrangement, Mexican Gold and Alcon have entered into an interim loan agreement dated June 12, 2026 (the “**Interim Loan Agreement**”), pursuant to which Mexican Gold has agreed to advance to Alcon an unsecured, non-interest bearing loan in the principal amount of \$250,000 (the “**Interim Loan**”). The proceeds of the Interim Loan will be used by Alcon for general corporate purposes, working capital requirements, regulatory compliance, professional fees, property maintenance costs and other ordinary-course expenditures pending completion of the Arrangement. Upon completion of the Arrangement, the Interim Loan will be automatically satisfied, discharged, cancelled and extinguished without any further action by either party. If the Arrangement is not completed on or before August 31, 2026 (or such later date as the parties may agree), the Interim Loan will become a conventional third-party loan bearing interest at 12% per annum and will be repayable upon demand by Mexican Gold. As a result of the Offering and the Interim Loan, Alcon will discontinue the marketing of the remaining \$117,650 of its convertible debenture offering detailed in its management information circular dated May 26, 2026, which was mailed to Alcon security holders on June 5, 2026. The terms of the convertible debentures were disclosed in the news release dated April 8, 2026.

As of the date of the Arrangement Agreement, Mexican Gold had 41,216,639 common shares outstanding (on a pre-Consolidation basis, excluding shares issuable under the Offering). Upon completion of the Arrangement, the Consolidation and the Offering (assuming the maximum Offering), the Company expects to have approximately 76,434,426 common shares outstanding on a post-Consolidation basis.

Details of the Offering

Each Subscription Receipt will automatically entitle the holder, upon closing of the Arrangement, without further action by the holder and without payment of additional consideration, to receive one post-Consolidation and post-Name Change common share of the Company (a “**New Issue Share**”) and one-half of one post-Consolidation and post-Name Change common share purchase warrant.

Each whole common share purchase warrant issuable upon conversion of the Subscription Receipts (a “**New Issue Warrant**”) will entitle the holder to acquire one New Issue Share at an exercise price of \$0.30 per New Issue Share for a period of thirty (30) months following the closing date of the Arrangement

The gross proceeds from the Offering (the “**Subscription Proceeds**”) will be held in escrow pending satisfaction or waiver of certain escrow release conditions to be set out in the subscription agreements for the Subscription Receipts (the “**Escrow Release Conditions**”). The Escrow Release Conditions must be satisfied or waived on or before August 31, 2026, unless extended by agreement of the applicable parties for up to an additional 60 business days if the required regulatory approvals have not been obtained by such date (the “**Escrow Release Deadline**”).

The Escrow Release Conditions include, among other things: receipt of acceptance from the TSXV for the Arrangement, the Consolidation, the Name Change, and the Offering; approval of the Arrangement by the shareholders of Alcon; receipt of an order of the Supreme Court of British Columbia approving the plan of arrangement; and the concurrent closing of the Arrangement.

If the Escrow Release Conditions are not satisfied or waived by the Escrow Release Deadline, the Subscription Proceeds will be returned to subscribers without deduction.

Following release from escrow, the net Subscription Proceeds will be used for exploration of the Princesa project, exploration of the Rowdy claim at Tatatila, legal fees associated with the Las Minas claims dispute, and for general corporate and working capital purposes.

In connection with the Offering, the Company may pay finder’s fees in cash or securities, or a combination of both, as permitted by the policies of TSXV and applicable securities legislation. All securities issued pursuant to the Offering will be subject to a statutory hold period of four months and one day from the date of issuance in accordance with applicable Canadian securities legislation.
